TalariaX extends channel presence in India

TalariaX appoints ACW Distribution as Master Distributor to market wireless-applications and mobility solutions in India

Singapore, 20 October 2008 – TalariaX, a leading provider of delivering innovative wireless applications for the consumers and corporations, announced the expansion of its market into India with the appointment of ACW Distribution (S) Pte Ltd (“ACW”).

A leading provider in delivering wireless applications, TalariaX teams up with ACW in this partnership in a timely fashion as ACW establishes a foothold in India to meet the surging demands of wireless applications and solutions in the local market and in the region.

“We are glad to be in partnership with TalariaX to establish a common objective to drive end users productivity and efficiency, thus, challenging their limits. With this strategic alliance, we seek to bring to the domestic market in India, a competitive and innovative wireless solution to serve the growing wireless application user population characterized by the increasing numbers of mobility population.”

said Sam Chng, Country Manager for ACW Distribution ASEAN.

As a master distributor, ACW will market **sendQuick®** to an extensive channel of system integrators and VARs. **sendQuick®** is engineered to be an Out-of-The-Box SMS server, so that it provides the fastest and most economical way for anyone to set up an SMS server and start operations in the shortest setup time. **sendQuick®** is built with the intention to lower Total Cost of Ownership (TCO) and can be used for multiple applications, with unlimited users and application licenses.
